SOUTH JORDAN, Utah, Aug. 09, 2022 (GLOBE NEWSWIRE) -- Cricut, Inc. ("Cricut") (NASDAQ: CRCT), the creative technology company that has brought a connected platform for making to millions of users worldwide, today announced financial results for its second quarter ended June 30, 2022.

"Our Q2 performance reflects the current macroeconomic environment, coupled with elevated channel inventory as a result of the pandemic. While top line results were disappointing, we believe those inventory levels will be rebalanced in the second half of the year," said Ashish Arora, Chief Executive Officer of Cricut. "We operate from a position of strength, with a resilient business model and strong balance sheet. In addition, Cricut's platform provides tremendous opportunity to interact with our nearly 7.2 million existing users throughout their entire crafting journey. Many of our investments are showing signs of success, building confidence that what we're doing today will be the most impactful to Cricut in the medium to long-term growth."

Second Quarter 2022 Financial Results

- Revenue was \$183.8 million, down 45.1% compared to Q2 2021.
- Connected machine revenue was \$35.4 million, down 75.8% from Q2 2021 with pressure from softer consumer demand and higher channel inventory. New user adds, which is correlated to machine sell through, was down almost 33.6% for the same period.
- Subscriptions revenue was \$67.6 million, up 33.4% over Q2 2021.
- Accessories and materials revenue was \$80.7 million, down 41.3% from Q2 2021.
- Gross margin was 46.5%, up from 39.0% in Q2 2021.
- Operating income was \$20.0 million, or 10.9% of total revenue, compared to \$64.2 million, or 19.2% of revenue in Q2 2021.
- Net income was \$13.8 million, down 71.9% over Q2 2021, and was 7.5% of revenue, compared to \$49.1 million, or 14.7% of revenue in Q2 2021.
- Diluted earnings per share was \$0.06.
- International revenue decreased by 14.3% over Q2 2021 and was 13.2% of total revenue, up from 8.5% of total revenue in Q2 2021.

"Our business model benefits from diversified revenue streams, a versatile platform, and a powerful community of users. As we continue to navigate macroeconomic headwinds, we are driving relentless focus on our platform investments to monetize our existing users and drive new user acquisition. Subscription revenue grew 33% year-over-year in the second quarter, demonstrating our ability to leverage our connected platform and invest in new features and functionality," said Kimball Shill, Chief Financial Officer of Cricut. "We have a strong balance sheet and remain focused on managing our resources with a commitment to delivering healthy long-term operating margins."

Recent Business Highlights

Glossary of Terms

Users: We define a User as a registered user of at least one registered connected machine as of the end of a period. One user may own multiple registered connected machines, but is only counted once if that user registers those connected machines by using the same email address.

Engaged Users: We define the Engaged Users as users who have used a connected machine for any activity, such as cutting, writing or any other activity enabled by our connected machines, in the past 90 days.

Percentage of Users Creating in Trailing 90 Days: We define the Percentage of Users Creating in Trailing 90 Days (Engaged Users) as the percentage of users who have used a connected machine for any activity, such as cutting, writing or any other activity enabled by our connected machines, in the past 90 days. We calculate the percentage by dividing the number of Engaged Users in the period by the total user base.

Paid Subscribers: We define Paid Subscribers as the number of users with a subscription to Cricut Access or Cricut Access Premium, excluding cancelled, unpaid or free trial subscriptions, as of the end of a period.

Subscription ARPU: We define Subscription ARPU as Subscriptions revenue divided by average users in a period.

Accessories and Materials ARPU: We define Accessories and Materials ARPU as Accessories and Materials revenue divided by average users in a period. Accessories and Materials ARPU fluctuates over time as we introduce new accessories and materials at various price points and as the volume and mix of accessories and materials purchased changes.

Cautionary Statement Regarding Forward Looking Statements

This press release contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 as amended (the "Act"), and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). These statements include, but are not limited to, quotations from management, business outlook, strategies, market size and growth opportunities. Forward-looking statements generally can be identified by the fact that they do not relate strictly to historical or current facts and by the use of forward-looking words such as "anticipates," "believes," "targets," "potential," "estimates," "expects," "intends," "plans," "projects," "may" or similar terminology. In particular, statements, express or implied, concerning future actions, conditions or events, future results of operations or the ability to generate revenues, income or cash flow are forward-looking statements. These statements are based on and reflect our current expectations, estimates, assumptions and/ or projections and our perception of historical trends and current conditions, as well as other factors that we believe are appropriate and reasonable under the circumstances. Forward-looking statements are neither predictions nor guarantees of future events, circumstances or performance and are inherently subject to known and unknown risks, uncertainties and assumptions, many of which are beyond our control, that could cause our actual results to differ materially from those indicated by those statements. There can be no assurance that our expectations, estimates, assumptions and/or projections will prove to be correct or that any of our expectations, estimates or projections will be achieved. The forward-looking statements included in this press release are only made as of the date indicated on the relevant materials and are based on our estimates and opinions at the time the statements are made. We disclaim any obligation to publicly update any forward-looking statement to reflect subsequent events or circumstances or cha

Numerous factors could cause our actual results and events to differ materially from those expressed or implied by forward-looking statements including, but not limited to, risks and uncertainties associated with: our ability to attract and engage with our users; competitive risks; supply chain, manufacturing, distribution and fulfillment risks; international risks, including regulation and tariffs that have materially increased our costs and the potential for further trade barriers or disruptions; sales and marketing risks, including our dependence on sales to brick-and-mortar and online retail partners and our need to continue to grow online sales; risks relating to the complexity of our business, which includes connected machines, custom tools, hundreds of materials, design apps, e-commerce software, subscriptions, content, international production, direct sales and retail distribution; risks related to product quality, safety and warranty claims and returns; risks related to the fluctuation of our quarterly results of operations and other operating metrics; risks related to intellectual property, cybersecurity and potential data breaches; risks related to our dependence on our Chief Executive Officer; risks related to our status as a "controlled company"; and the impact of economic and geopolitical events, natural disasters and actual or threatened public health emergencies, such as the ongoing COVID-19 pandemic and any resulting economic slowdown from any of these events, or other resulting interruption to our operations. These risks and uncertainties are described in greater detail under the heading "Risk Factors" in the most recent form 10-Q that we have filed with the Securities and Exchange Commission ("SEC").
