Quarterly Results of Operations, page 97

1. Your disclosure on page 99 indicates that the number of users increased 12% as of September 30, 2020 as compared to June 30, 2020. However, your connected machine revenue decreased 33% during this period. Please clarify the reason for this and if there are any trends impacting revenue growth, or trends impacting growth in users as compared to growth in connected machine revenue.

2. When your preliminary IPO price is known, please reconcile and explain the differences between the fair values of the underlying equity interest determined on each grant date including the difference between the most recent grant date fair value and the midpoint of your offering range. Describe the objective evidence that supports

your determination of  
the fair value of the underlying equity interest at each grant or  
issue date. Please provide  
this analysis for the most recent six months. In addition, your  
disclosure should fully  
describe the assumptions utilized at the IPO valuation date that are  
significantly different  
than those used in the most recent valuation.
